Foreword

In the editing of this book it has been the aim of the "Northern" Board to portray the real activities of College Life; to be in keeping with the increasing vigor and greatness of the University and to stimulate a keener appreciation of OUT Alma Mater.

To
Dr. George Franklin Getty
As a Man
and as a Loyal Son of Northern
we respectfully dedicate
this book

George Franklin Getty, D. C. S.

George Franklin Getty is one of the most successful that has graduated from Ohio Northern University. He was born just before the Civil War, in Tuscarawas County, Ohio; where he spent his early youth among the hills of that picturesque region, which is one of the most interesting sections of the state.

In the middle seventies he came to Ohio Northern, taking up the study of Law. His name is closely linked with the names of such men as: L. W. Fairfield, H. C. Campbell, R. C. Eastman, Monroe Davison, J. L. Hampton, and D. G. Wylee. He graduated in 1879 and his record was among the best in a large and able class.

After completing his University course he became a lecturer for a time, and then entered in the practice of Law in Minneapolis. In the legal profession he was eminently successful, and upon going to Oklahoma to look after the interests of one of his clients, he became interested in the oil business in that territory and finally purchased and developed a large property there.

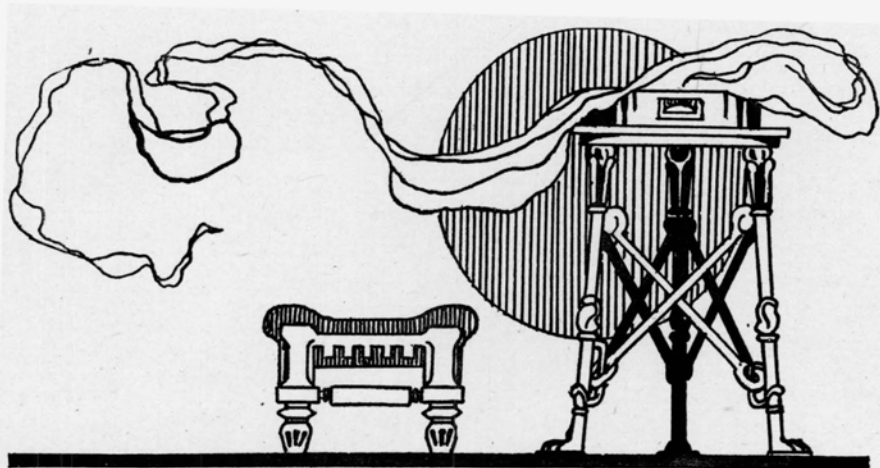

His oil business expanded until it required his entire attention. He then became interested in California, making investments there, which led to his removal to Los Angeles, where he now resides in one of the magnificent homes of that city.

Mr. Getty is one of the Alumni of which Ohio Northern is proud, not only because of his splendid success in the commercial world, but also on account of his sound scholarship, his personal integrity, his moral worth, and his genuine character.

The Class of 1917 is glad to honor a man so worthy, by dedicating this publication to him.

School Days

At last, our dear old school, goodbye,
For now, our course is run.
Although we leave you now, you hold,
Fond memories of work and fun.

Times of joy and times of pain,
And anxious glances cast,
The secret of us all we know,
In your old walls are fast.

And as into the world we go,
And from each other scatter,
Sometimes a thought we'll have,
Of our college times together.

PROPOSED AGRICULTURAL HALL

Plans are well under way for this fine Agricultural Hall. It is to be situated on the University Farm, near the sight of our future Athletic field and Gymnasium, about two blocks distant from the Campus.

The demands for Agricultural Education has increased so much in the past few years, that it is deemed necessary to have a large separate building exclusively for the Department of of Agriculture.

S. PAULDING.	<i>.....Second Corporal</i>

This year Northern can boast of one of the best cadet bands in the state, which is under the leadership of Clifford Caton.

The membership has increased from fifteen to thirty-eight. The men deserve much credit for the interest they have taken in the work, and for the splendid assortment of high class musical numbers rendered in the chapel concerts. Their playing was of the best and delighted their audiences on every occasion. Mr. Caton has worked hard with the men and has succeeded in turning out a band that every Northern is duly proud of.

O N. U. Band

Franklin Literary Society

H. B. FREEMAN, *President*

SUMMER TERM 1916

The Summer term for the Franklins was eminently a success. The programs were, short, snappy and well prepared. The success of the summer term for the Franklins must be attributed to Mr. Freeman whose ardent work has brought this result.

E. G. SINGER, *President*

FALL TERM 1916

The Franklins seemed to have an had unfortunate beginning in the fall term, owing to the fact that many of their influential workers as well as their officer elect, responded to the call of the country, and were at the time doing guard duty along the Mexican Border. But through the many delightful social hours and the immense interest taken by each of the members, it must be admitted that the one high standard was honorably regained.

DON C. PORRITT, *President*

WINTER TERM 1916-'17

The winter term of this year proved a glowing success for the Franklins. The new Officers, with the training of the previous term, took up the work with the usual Franklin enthusiasm and determination. Because of College activities of literary nature, society meetings were postponed four times during the term, but nevertheless both the Hankinson and Deeds Oratorical contests and the Hoskins debating contest were held and proved a success. Walter Agin represented Ohio Northern in the State Oratorical contest.

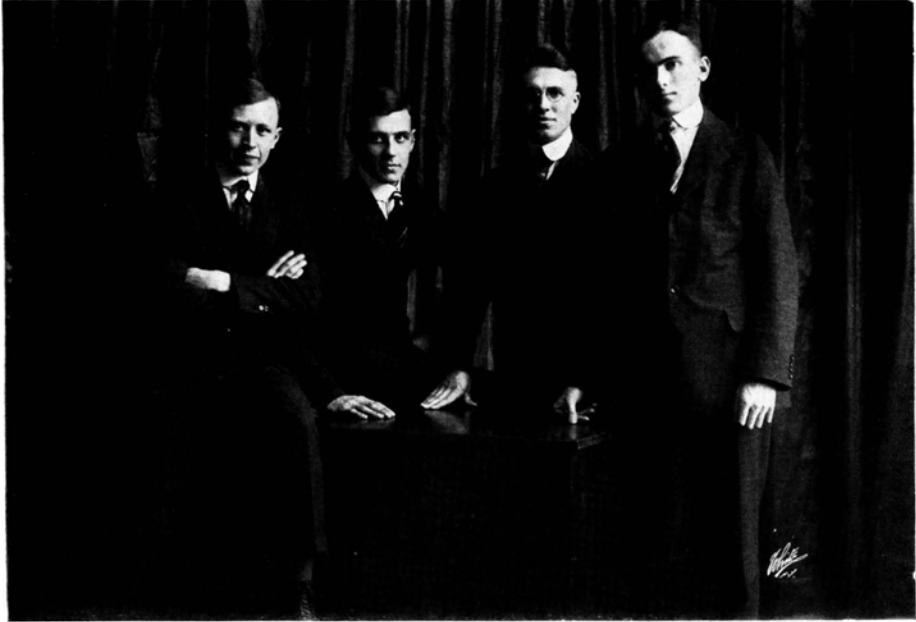

J. P. EDWARDS, *President*

SPRING TERM 1917

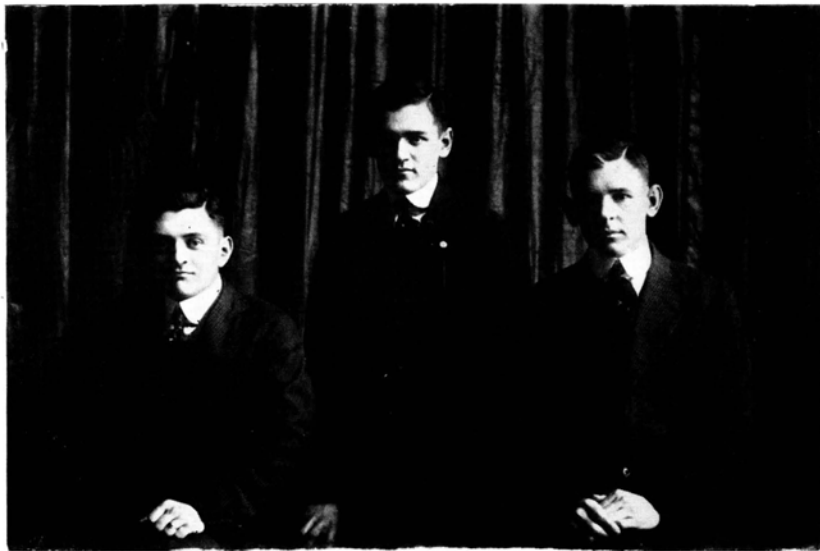

Just organized and things are sailing smoothly. Predictions are favorable for a very successful term.

LIFES ORCHESTRA

In the great orchestra of life
Most are destined to play a humble part
That in itself suggests no hint of melody,
But if the chorus grand
Seems lost and scarce worth while.
Yet, should a single harpist
Neglect to fill his place,
The tone less full would be;
Less sweet the harmony.
Therefore, in the rich obligato
To the song of life
Let each produce his best
And truest tones,
That, even tho these tones
Reach but a few
Yet to these few will added pleasure give
And, also let us strive to hear
The chords of other players,
Who, like we
Are playing but a second part
In life's rich symphony.

Philomathaen Literary Society

SUMMER TERM

F. R. NELSON, *President*

The summer term was certainly a successful one for the Philos. Under the efficient leadership of the President, true literary programs were rendered. Originality of program reigned supreme. Many social evenings and stunt parties were held for the amusement of Philo members.

FRED C. SLAGER, *President*

FALL TERM

The work of the term started off with the presentation of a dramatic farce, which was enjoyed by all. Later in the term a Philo Faculty reception was given to the members of the faculty of Philo faith. This was original and unique in character and elicited the promise of co-operation in our literary work.

Mention must also be made of the class of music furnished by the orchestra, which was believed to be the best for some terms.

C. E. WINTRINGHAM, *President*

WINTER TERM 1916-'17

While the work of the society was interfered with somewhat, yet the work that was done was of real literary value. With few exceptions all who took part upon the programs were Philos, and many of them new ones. This is as it ought to be. The stage of a literary society is not for experienced performers, but a place where students may acquire experience in public speaking. Two of the big events of the year occur annually in this term and are looked to by all Philos; the Fradelphilo Festival and the Pearl A. M. Stahl Oratorical Contest.

ERNEST H. REED, *President*

SPRING TERM

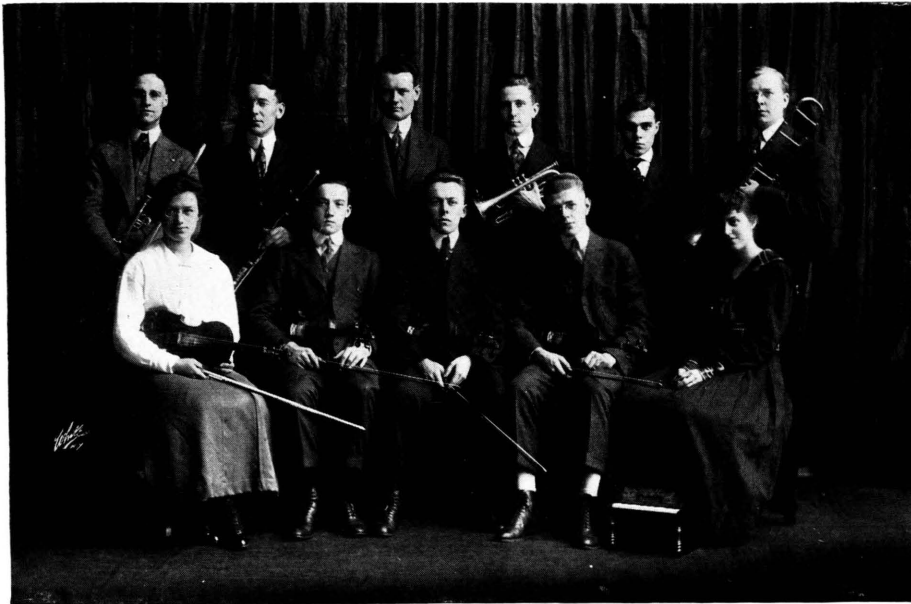

Of the spring term we can only surmise, but if things go as they look it certainly will be a successful one for Philoism.

Pearl A. M. Stahl Oratorical Contest

Adelphian Literary Society

SUMMER TERM

F. M. BOOTH, *President*

Under the leadership of Mr. Booth, the Society enjoyed a very successful term, notwithstanding the summer heat and the fact that the University was in session six days of the week. The programs were of a high order and drew large crowds throughout the term. The orchestra, composed principally of summer students, enlivened the programs, and furnished music for the social hours. Mr. Booth graduated in the Arts Department in the class of 1916 and is now assistant salesmanager of a rubber factory at Akron, Ohio.

FALL TERM

H. W. JOHNSON, *President*

Under the leadership of Mr. Johnson, the president, the society showed growth and development in every way. One hundred twenty-two new names were added to the list of full-fledged members; sixty dollars were deposited in the society coffers; a new light was placed before the entrance to the society hall; man lights were added on the interior; and excellent music was procured by an orchestra of experts. Sound literary and amusing programs were staged on the society platform each evening that the literary meet. Several of the faithful literary workers took out their literary diplomas. The Adelphian girls entertained the Adelphian boys and served refreshments on one occasion besides furnishing several delightful social hours.

BERNHARD RAGNER, *President*

WINTER TERM

The fall term of 1916 ended, from the standpoint of the Adelphian society, with a hard fought campaign for the presidency, Bernhard Ragner, being the successful candidate. No sooner had the smoke of battle cleared away than the friends of both candidates united their forces, and made Mr. Ragner's term a success. His term of office was much interfered with; the Christmas vacation, oratorical contests, the Fradelphilo banquet caused several meetings to be eliminated. But, during his term, good original work was done, and the society prospered. Also, during his presidency, the Adelphians contributed two captains and two members to the Intercollegiate debating teams.

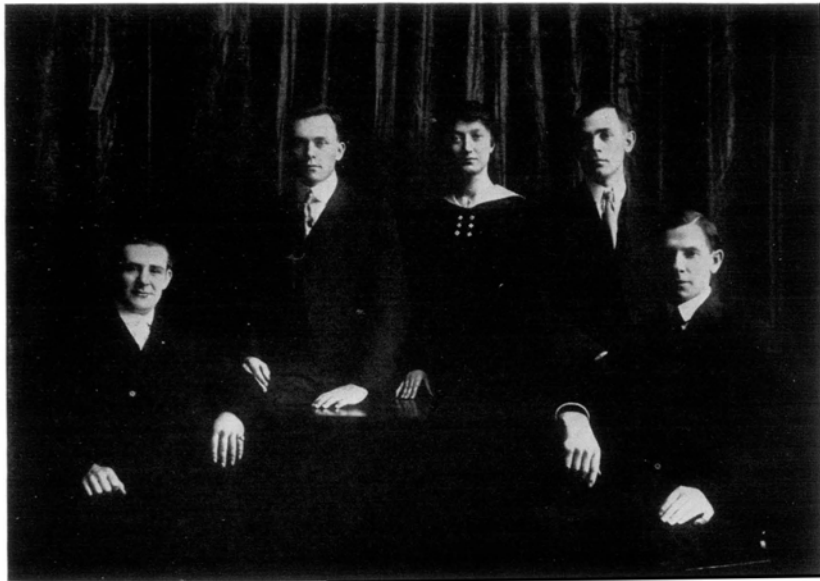

W. K. NEWELL, *President*

SPRING TERM

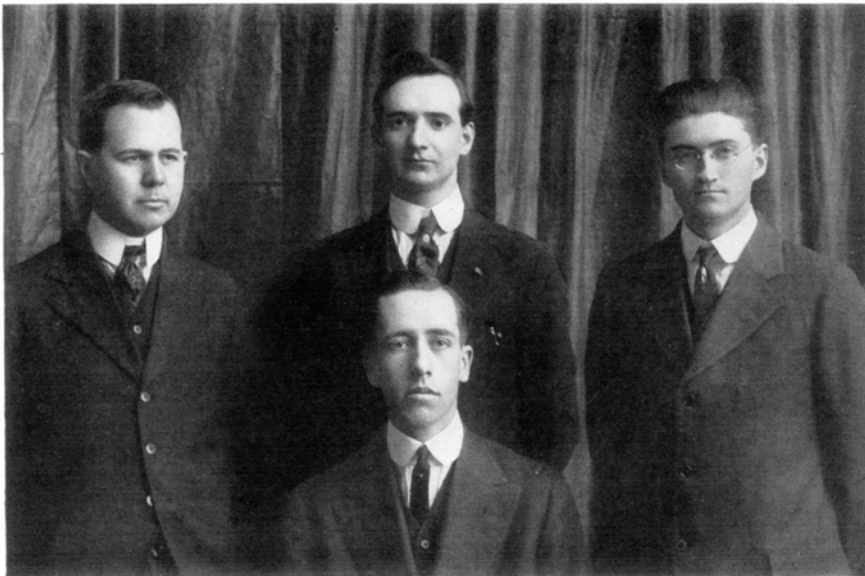

A full account of Adelphian activities during the Spring term is impossible, as this annual goes to press before the term is over. W. K. Newell, who had been an active member of the society for two years, was elected president in the latter part of February, and under his direction, the Spring quarter started off with a bang. Supported by a group of capable committees, Mr. Newell's term of office, thus far, has been successful, and the future is filled with good prospects. Plenty of original work was produced on the platform; the attendance was good, and the members enthusiastic in support of the president.

State Oratorical Association

Perhaps no one has done more to advance the field of oratory among the colleges of Ohio, than Homer A. Ramey, who has served for the past two years respectively as president and secretary-treasurer of the Intercollegiate Oratorical Association of the State of Ohio. When Mr. Ramey first became head of the association, it was composed of Heidelberg, Wittenberg, Hiram, Cedarville, Baldwin, Wallace, Wooster and Muskingum. Since then Northern, Ohio University, Dennison College, and the University of Cincinnati have been added, and placed in good standing. Mr. Ramey secured a change in the constitution to make any student of any department eligible in the contests of the association, where before only classical students were admitted.

Mr. Ramey left school at the end of the winter term to begin the practice of law at Toledo.

The contest was held this year at Ohio Northern.

Walter Agin, Ohio Northern; Irving S. Riechert, University of Cincinnati; T. C. Boblin, Baldwin-Wallace; John Berry, Heidelberg; C. T. Simon, Wittenberg; Roy Hagstrom, Hiram.

Mr. Irving F. Riechert, University of Cincinnati, won first honors.

State Oratorical Contestants

O. N. U. March Song

Dear Old Northern! 'Tis of thee we sing
The fairest spot of all this land so free;
Love and honor to thee we would bring,
Our praise and loyalty are all for thee.
Alma Mater! Thru the coming years,
Thy sons and daughters we shall ever be
Our hopes, our fears, our joys and e'en our tears
Shall mingle with our memories of thee!

Dear Old Northern! When at last we part,
Oh, may thy blessings speed us on our way;
May we ever strive with hand and heart
In gratitude thy teachings to obey.
Tho along our pathway there may be
The trials and temptations of life's game—
The thots of thee shall spur us on to be
True sons and daughters worthy of thy name!

CHORUS

"O-H-I-O" is our cry—oh,
Let us shout for O. N. U.!
Never fear, our college, old and dear,
Shall find us ever loyal and true blue.
"O-H-I-O"—tho years fly—oh!,
We will be for ever true;
May we ever honor thee, and never
Cease to love thy name, our O. N. U.!

The Y. W. C. A. of Ohio Northern has again placed on record an excellent year's work; a year in which the aim has been to train each girl individually for practical and efficient womanhood.

The activities of the association have been unusual, but beneficial. Efficient management made possible the addition of a new sectional bookcase, as well as new curtains for the windows, and some very appropriate pictures for the walls.

The association realized a great loss when Mrs. Maglott was taken from our midst last summer. The influence Mrs. Maglott exerted upon each girl and her friendly attitude towards the association will never be forgotten.

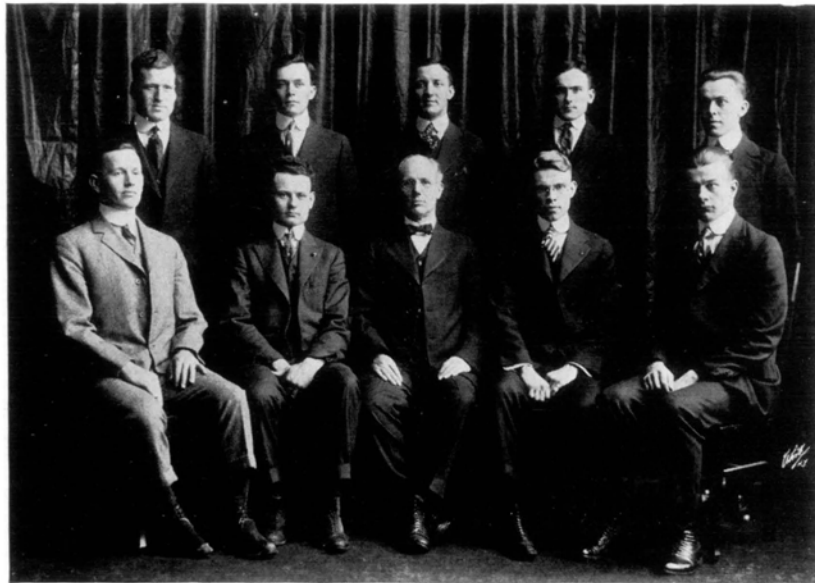

In January we were permitted to entertain in a cabinet council the cabinet members from the Y. W. C. A.'s of Defiance, Findlay, Bluffton and Heidelberg Colleges. Many new ideas and plans were formulated, and Northern, as well as the visiting colleges, spent a very enjoyable and profitable time.

The social life of the association has not been neglected. During the year we held many receptions, mixers in co-operation with the Y. M., hikes, and many other diversions. The Y. W. room is a democratic place where all girls can feel at home and enjoy the companionship of the members.

We consider the record of the past year excellent. With Florence Thrasher, president, Talmadge Harshman, vice-president, Edith Retterer, secretary and Martha Parsons, treasurer for the coming year, we feel that the future is full of promise and that much will be done toward attaining an ideal Y. W. C. A.

<i>Social</i>	SLAGER
<i>Publicity</i>	FREEMAN
<i>Faculty Advisor</i>	TRAINUM

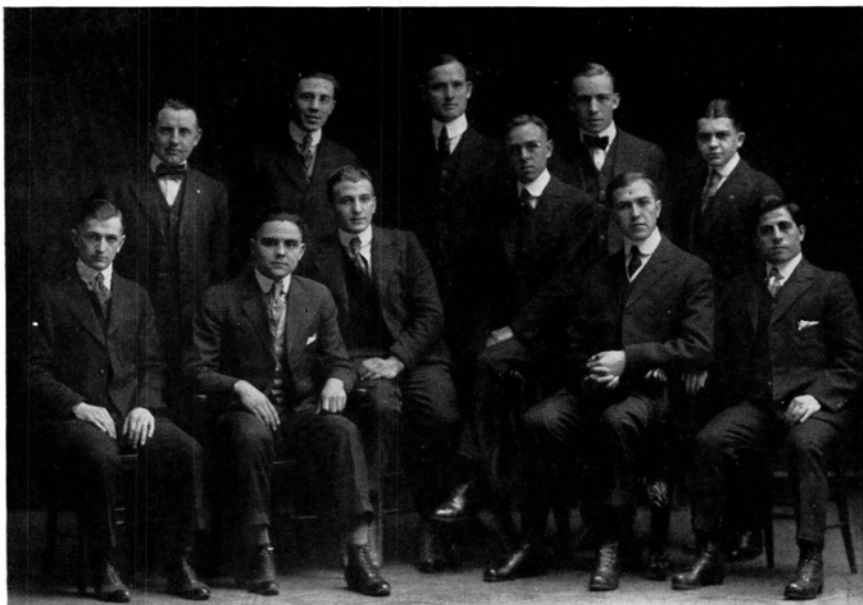

The Y. M. C. A. started off the year with high ideals in view. They expressed themselves as wishing to be of ultimate value to the student body. The feeling has been the best thruout the year. The devotional meetings has been up to the standard, and much interest has been shown in them. The student body rallied to the call of the Association for members and the result was that 60% of the boys in school are members of the "Y", A new piano has been placed in the room which adds much to the pleasure of the boys.

The Association was fortunate in having Mr. Harshman as President who devoted much time, energy and enthusiasm to the work. He was followed by Mr. Slager, a young man of high ideals and a great friend of the student body. The "Y" has a big place to fill at Northern, but in Mr. Slager they have found a willing worker, who will surely carry the work on and thus measure up to every opportunity that may pass it's way.

The O. N. U. Ministerial-Students Association was organized during the fall term of 1916. The young men studying for the ministry felt the need of an organization of this kind in order to develop spiritual life of the members and for the discussion of mutual problems to this particular field of activity.

The members feel that the association has been a success and that much benefit has been derived. It is hoped that it will be a permanent organization at Northern with increased number and influence as the years go by.

N OHIO NORTHERN UNIVERSITY **17**

University Glee and Orchestra Club

One of the best known musical organizations in the University is the Men's Glee and Orchestra Club. This organization has made its appearance many times at home and away from home and everywhere winning the highest favor

Glee club work appeals to young men of many different temperments as will be seen from the fact that this club is composed of members of many different departments of the university; men prominent in athletics, in scholastic standing, and in the social life of the campus, while in its membership are represented a dozen states and territories.

Their songs are filled with so much enthusiasm and beauty that the audience catches it at once and is held under a spell during the entire program. Professor Killeen has been especially instrumental in making the club what it is and is to, be congratulated on the result of his direction.

Cosmopolitan Club

"Misunderstanding," in one word, expresses the cause of the many feelings of hatred that are prevalent among the people of the world. If the world could only realize that all mankind regardless of birthplace, has the same instincts of love, sympathy and appreciation, the forces of human destruction would be powerless.

Nearly every section of the globe has contributed to Northern's Cosmopolitan Club. Here are represented 16 countries many different religious faiths. Here are members of the allied nations as well as those from the Central Powers. These differences which, after all, are only the results of fate, are all forgotten and we have a compact organization, where the opinions and rights of every individual are respected. This spirit of sympathy, fellowship and respect will eventually bring about universal peace and Brotherhood among Nations. To this cause Northern's Cosmopolitan Club is earnestly dedicated.

O. N. U. Branch of the A. I. E. E.

The Ohio Northern University Branch of the American Institute of Electrical Engineers was established Feb. 21, 1912 and has always been near the top in membership among the other colleges of the country.

During the year every member is given the opportunity to address the Branch of some Electrical or Mechanical subject. This gives the members the benefit of research and appearing before the public to speak.

All students pursuing a regular course in Electrical or Mechanical Engineering are eligible for membership and everyone is welcome to come to the meetings.

The Northern Review

The Review is the official organ of the student body of Ohio Northern and appears weekly. The Review has advanced in standard and merit each succeeding year and this year has been no exception to the rule. The style of journalism has been the best, yet the tone of the paper is spirited and wide awake. In its columns the student body opinion has been given free expression and has been a constructive agent in the life of Ohio Northern.

Thru the untiring efforts of the executive committee aided by Dean Smull and the Professors of the College of Engineering, the 1917 Exhibit far surpassed those of former years.

Since the first exhibit fifteen years ago, the magnitude has increased each successive year and at the present the exhibit is recognized as an important educational factor by many of the most prominent engineers and universities of the country.

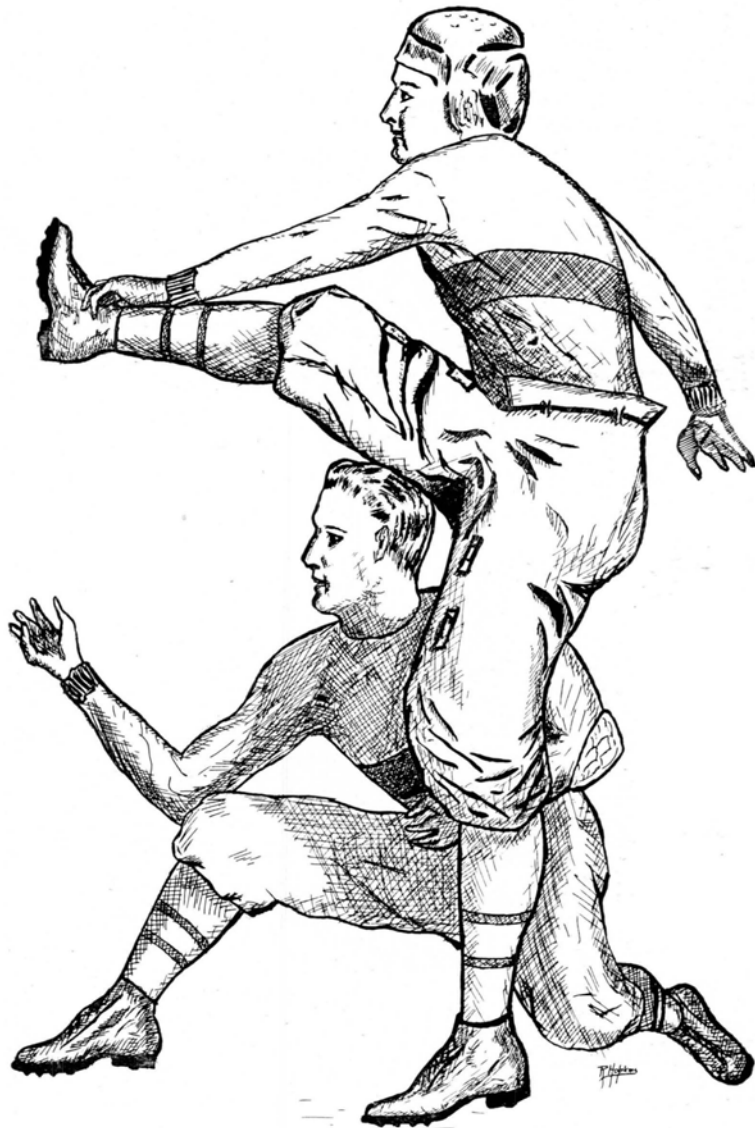

A series of technical lectures was delivered by noted visitors. Drawings, machines and models, and artistic decorations were displayed, showing the work of the students of the different engineering courses.

The climax of the week was the Annual Engineers Banquet held in the I. O. O. F. Hall on Saturday evening February 24, 1917.

Coaches

BEVAN

HILL

The Coaches

On the opposite page is the picture of the two men who coached Northern's football team during the past season. Both of them are hard-working, clean-thinking and clean-living athletes, on to their jobs, optimistic and enthusiastic. Thanks is due them for the excellent showing made by Northern during the season.

Ray Carson Hill is a Captain in the United States Army and is stationed at Ada as commandant for the military department. He is a graduate of Wade High, Toledo, and of West Point Military Academy. He played on Ohio State team for one season, and was on the West Point team for three years, being captain in 1907. He was chief coach of Northern's football squad this year.

Rolan Bevan was his assistant. He was a member of the Bethany squad for three seasons, being elected captain; he also played with Bucknell and St. Mary's, acting as captain of the latter team. He was assistant coach at Bethany; coached St. Mary's for two years, Muskingham for two years, and this is his second year at Northern. He is an all-round athlete, and coaches basketball and baseball.

He has charge of the department of physical instruction and coaching classes

Football 1916

When coaches Hill and Bevan issued the call for football candidates about twenty-four men responded. Among them were seven letter men and several numeral men. In spite of the fact that many of the last year freshmen players failed to return and several of our Varsity men were doing service on the border for "Uncle Sam", the coaches soon filled the gaps in the team with capable men. Bevan's work as a trainer was the best ever seen here. The team went thru the entire ten games without having a single man injured.

The team played wonderful games up to mid-season when they seemed to slow up somewhat. They came back however and played strong football in both the Wittenberg and Marshall games.

In the opening game of the season Miami, the team that wrought such havoc with our team last fall was held to a score of 27-0. On the following Saturday the Winona Agies were defeated to the tune of 13-7. The next week the team journeyed to Delaware; where after outplaying their old rival, Ohio Wesleyan, and having them beaten until the last eight minutes of play, they lost on a fluke 7-3. University of Cincinnati was defeated by a score of 9-0. Then the powerful Dennison team was held to a score of 19-0. In this game Northern came within an ace of scoring on Dennison on three different occasions. The following Saturday with the team playing below standard, Akron succeeded in winning 14-7.

Wittenberg, after playing a plucky game was forced to succumb with a score of 25-0. At Kalamazoo, playing against a non-conference team, most of the regulars were taken out in the early part of the game, so we lost by a large score.

Mt. Union altho played to a standstill in straight football, forward passed her way to victory on a frozen field.

The last game of the season was played at Huntington, W. Va., against the strong Marshall eleven. Altho losing 7-0, Northern played a remarkable game. Four times they carried the ball the length of the field only to be stopped in the shadow of the goal.

Considering the caliber of teams played and the long, hard trips the boys were forced to take, the brand of football on the whole was of a good caliber.

THE SUBS

Altho Abbot, Folk, Pleam, Werst and Dodson failed to land regular positions on the team, their work, and earnest co-operation is greatly appreciated by the team and the coaches. The experience these men gained this year, will aid them much in their playing next year. Most of them will be found in the regulars next year.

"JACK" NOLTE

"Jack" proved to be one of the most industrious managers that has ever handled a Northern team. He was on the go all the time and left nothing undone that would help the eleven thru a successful season. The student body is unanimous in regarding "J. F." a good manager.

"CAP" BROOKS

Captain Brooks will always be remembered for his consistent offensive and defensive playing and his grit and ability to inspire the fighting spirit in the men. He piloted the team with unquestionable fairness and his high type of sportsmanship received favorable comment from the several referees who officiated in the Northern games. The "passing of Brooks" by graduation, after three years of splendid service to the University in athletics, will be keenly mourned by all who know of his good work.

"HOCK" GEROLD

When the "N" men of 1916 met to elect a captain for next year, Gerold, the hammering half-back and tackle, was their choice. Gerold has played a strong game for two years. He was a terror on a line plunge. If bulldog determination and sincere hard work count for anything Gerold should make a strong pilot for the 1917 eleven.

"HILLY" HILFINGER

Northern's ripping, tearing, ploughing, spectacular, player last season was Hilfinger "Hilly" played in the backfield and can truthfully be called the fastest man on the team. He ran like a deer and carried the ball perfectly. His gains netted the Orange and Black several hundred yards during the season. He was the backbone of the team in kicking and in most of the games he outpunted his opponent. "Hilly" was very popular and Ohio Northern loses a valuable man thru his graduation.

"MAC" MCINTYRE

"Mac" trained faithfully and played a steady game at end. He tackled hard and went smashing into every formation that came around his way. "Mac" will not be with us next year as he is another one of the boys who will begin the game of real life with a Northern diploma.

"JACK" KOWALESS

"Jack" played on the Freshmen team last year but he had little difficulty in convincing the coaches that he was of 'Varsity' caliber when he reported for practice in the fall. At end he excelled in pulling down passes. Altho the lightest man on the eleven he did his share in breaking up plays around his end and off tackle.

"JERRY" KATHERMAN

Playing his first year of college football, "Jerry" was out to demonstrate to the fans that he could hold his own with the veterans—and he did. His position at guard was well covered all season. "Jerry" will be back next year, stronger and better than ever.

"CHIC" CHICK

"Chic" was another man who appeared in a Northern uniform for the first time last fall and he produced a good brand of football. He was a hard fighter and never quit. Whether blocking, receiving passes, or breaking up interference, he was always on the job.

"JIMMY" PIERCE

"Jimmy" was one of our veterans. He had played at end but because of his weight and ability to size up plays, the coaches shifted him to tackle this year. Seldom it was that any plays got by him. The backs of the opposition soon learned that "Jimmy" just wouldn't be blocked in or out. On offense he tore up good holes for his backs. He gets a sheepskin this year which means that another good man has fought his last battle at Northern.

"DICK" RICHARDS

"Dick" has played his last game for Northern. For three years he has played a strong and consistent game at left half. He runs low and hard and is great on interference and defensive playing.

"TOMMY" FIELDS

This was "Tommy's" second year as 'Varsity' quarterback. He handled punts well and he has a place in the hearts of the student body as a drop kicker. The team owes much to his quick thinking and all around good generalship.

"NIXON" GROVE

At quarter and half Grove played good football. He is fast and runs low and hard. He is a sure tackler. "Nixon" has donned the moleskins for the last time for Northern as he graduates this year.

"HON" HONSINGER

"Hon" reported for practice in the fall as a veteran guard, but Coach Hill shifted him to center where he showed his versatility by strong and accurate passing in every game. Playing an open center on defense, he did much to break up the plays of the opposition. Armed with a Northern diploma "Hon" is now going forth to battle with the world of engineering.

"MAC" McNALLY

Altho one of the lightest men on the squad "Mac" was placed at tackle and he soon demonstrated to the satisfaction of all the stuff that was in him. Always opposed by bigger men, he succeeded in breaking up nearly every play that came his way. At the snapping of the ball "Mac" was thru the line like a flash and he often brake up plays in their incipency. A high percentage of "Mac's" makeup is grit.

"JOHN" MANION

This sterling player did not strike his stride last year but this year he developed into a star. At guard he tore great holes in the opposing lines and was usually down under punts ahead of the ends. Time after time he smashed thru the line: dashed down the field, and threw his man in his tracks. He will be a big man on the eleven next year.

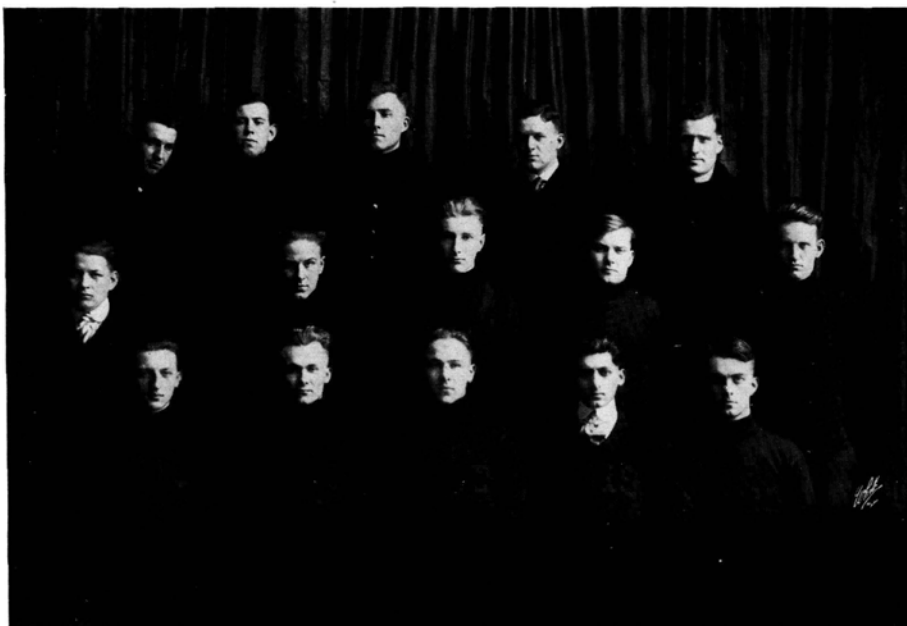

Freshman Football

When the call was issued for candidates for the Freshman football team early last fall a large number responded. Under the skillful coaching of "Red" Moehring they soon developed into a smooth combination. Altho lacking in equipment and forced to endure the severe bumps and bruises administered by the 'Varsity eleven, the Freshmen were game to the core and were ever ready when called upon for scrimmage.

Fifteen men won their numerals for their faithful work in first year football. It is hoped that all these men will return to school next fall as there is some mighty promising material among them. The work of Captain Davies in the backfield and Gypson at center deserves particular mention.

Moehring, who coached the yearlings, is a giant in stature and strength. He worked indefatigably in the interests of the team and the student body is grateful to him for his service. He was ineligible for 'Varsity this year, but he will be a big asset on the eleven next fall.

Basketball Review

Northern's basketball season was not one of success. There were only two men left from last year's five in school, at the opening of the season around which to build a team. The freshman team of 1915-'16 supplied the rest.

Captain Brooks and Kowaless, fresh from a strenuous season on the gridiron, were in splendid physical condition from the beginning but the rest of the men did not have the advantage of this early seasoning so were a long time getting into shape.

Hoyng, Kowaless and Law had played on the Champion Adelphian team and had made an enviable record for themselves, while Corbett and Sterling were the main stays of the five that won second place last year. Not having played together before, the task of welding these men together as a basketball machine was a difficult one as Coach Bevan soon realized.

While the team was composed of several good individual players the lack of consistent teamwork was a handicap which could not be overcome. Also the absence of sufficient Varsity material compelled Parson, Brooks and Corbett to play in several games while handicapped with injuries.

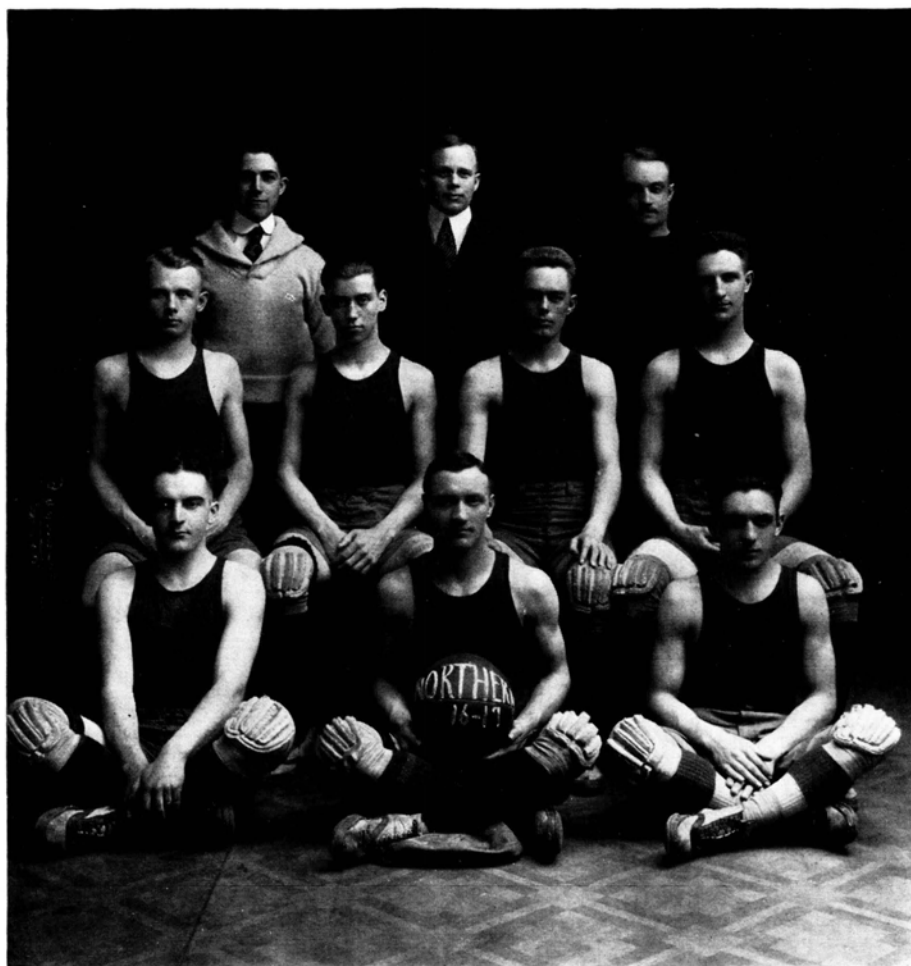

Parson, Brooks and Hoyng will be lost to the team next year.

Captain Corbett will be able to start the season with three veterans besides himself. With the addition of such freshmen as Morrison, Hollman and Pickering, Corbett should have a winning team.

Athletics

Baseball 1917

Northern has a splendid baseball team this spring and will undoubtedly finish around the top in the Ohio Conference. While the season has not yet advanced far enough to get a good line on the individual players, we know from past performance on the Varsity that Captain Dailey, Rehenek, Rudolph, Smith, Norris, and Kerr are capable of playing a high class game.

The pitching department will be well cared for by "Swede" Karlson, the elongated twirl from New England, and "Tommy" Thompson, the Pharmic twirler.

Light Artillery

NaCl plus LLL-- ? ? ?

It wouldn't do to isolate some of the things Prof. Trainum has said in his classes the past year.

Wanted: 200 credit hours, J. F. Nolte.

Is *they* a question? Get *them* problems. (Chemistry.)

Did you know Prof. Trainum had a Car and a Dog?

Jackson and Neil of the 1916 Northern are coming back to Ada some day to renew old acquaintances. They need renewing.

(CENSORED.) It was something about Campbell.

Have you tried James' "near-beer"? Two and nine-tenths per cent alcohol! Great Stuff

Some among us sincerely believe that if the Povenmire house were destroyed L. L. L. would lose his education.

Dr. Smith's sons have all enlisted in the navy. They chose that branch of the service in the anticipation that they might see some real fighting.

Fred I. Rowe, '16, will spend the next few months recruiting in Ada. Lieut. Rowe did recruiting in Ada during the Mexican crisis and became very popular.

Ohio Northern University is a prohibition school. Of this there can be no doubt. But the student body disagrees in the means to be taken to bring about a dry state. Fifty percent of the students want to drink the state dry and the other half prefer to vote the change.

Bearcat Snyder has an offer from the New York Giants.

"Texas" Walters thinks he knows what is wrong with the insulation at the Lafayette Hotel in Buffalo.

Campbell, Harshman, Broede, and Slager have started training for a pool tournament.

Wasn't it a shame to quarantine the T. N. E.'s?

"Yes, we both played a good game." Ask Jerry Katherman.

Have you heard of the famous Nolte-Anderson bout ?

(CENSORED.) It was about Ragner.

"N's" go on sale at the Varsity Book Store the first week in September. Order early.

John Manion ought to be popular with his fellow athletes. Miss Dille has a stronger mind than he evidently. You know.

If this artillery hits you, we are sorry. War is-Hell, but it is a necessary evil. This too, is necessary.

Wouldn't You Like To Know

- How much longer Campbell is going to hang around here?
- Who painted up the sidewalks?
- What Mercer went to Harrod for?
- Who lied to the co-ed debaters about Elsass'?
- What was the matter with Prof. Mohler at the Pharmic minstrels?
- Why B. R. didn't become valedictorian? Or Class President?
- Why some members dropped out of the Hague?
- Why the Colonel left town so often?
- Which one of the Franklin twins L.L.L. paid his attentions to?
- Why Prof. Freeman (and he is a favorite Prof. too) and all the little Freemans are pro-German?
- What some co-eds come to college for?
- What "Count" Bagdonis' religion is?
- Why "Tommy" Smull was peeved after the Pharmic minstrels?
- When Nolte will graduate?
- How many Northern students have physical defects since the conscription law passed?
- Why Parsons wasn't quarantined with his brothers?
- Why the ? ? s didn't hold their annual dance?
- Who bought the drinks for "Daddy" Parsons on the inspection trip?
- Why G. Blaine Dailey frequents Continental?
- Why the Kenyon game was cancelled?
- How "Texas" became Cheerleader?
- Why "Sid" McDowell is so popular?
- When Harry Cooke was elected a trustee of the University?
- Why Prexy is so humble, modest, and unassuming?
- Who in H-1 wrote this *morceau de folie*?

Unique Institutions at Ohio Northern

Ohio Northern owes its popularity to its uniqueness. The following institutions make the University what it is.

THE NORTHERN REVIEW

A weekly periodical published by B. R. in the interest of his friends B. A. M., U. N. O., R. B., F. C. S., H. R. T., D. P., etc. The publication has been very prosperous and has received the support of the student body.

THE DANCING COMMISSION

A Commission appointed by the President for the proper regulation of dancing at Ohio Northern. The commission was greatly needed for things were running pretty loosely and regulation was unthought of. Now, the regular University dances are supervised by a faculty committee. Prof. Schoonover was chairman of the commission during the past year and the students were thoroughly satisfied with his work.

THE HAGUE

The Hague is a cosmopolitan social organization for the promotion of good will and good times. It counts among its members some of the most learned men on the campus and altho it has been with us but one year it is a vital force in University life.

THE BREWER Y. M. C. A.

Ada boasts of two splendid Y. M. C. A.'s. There is the one on the campus and also the well equipped down town association. Mr. Brewer erected the building at a huge cost and has given the association his undivided attention. It is said to be one of the most prosperous Y. M.'s in the state. This may in a measure be accounted for by the capable cabinet. Among those in the governing body we find such men as A. C. Shepherd, J. L. Katherman, G. B. Dailey, R. L. Harbour, W. C. Phelan, J. F. Nolte, H. R. McIntyre, and T. Cunningham.

THE STUART HOUSE

The Stuart House is the most popular of the girl's dormitories. It has no rules and regulations. A student may come and go as he pleases and he may rest assured that he will not be called for it. The average time for a man to leave the Stuart House is 3 A. M., but students have been seen leaving at 5. Occasionally, because of sickness, a caller has been known to leave before midnight, but this is rare indeed. If you come to Ada, don't fail to visit the Stuart House.

THE PROFANITY CLUB

The Profanity Club is one of the oldest organizations of which Ohio Northern can boast. It began life with the school itself. At present it claims 93% of the student body in its membership. The Profanity Club has damned everything that God has made and on rare occasions some of its members have gone so far as to cuss Albert Edwin Smith.

BLUFFERS MUTUAL WELFARE LEAGUE

The majority of students at Ohio Northern are bluffers and a majority of the bluffers get away with it. The Bluffers Mutual Welfare League is a clearing house for the S. O. S. that is handed the Profs. The motto of the League is, "System." With mathematical accuracy they permit no member to use the same excuse twice and every bluffer is furnished with a refreshing line. The League has proven a decided success and it is expected to be used in many other schools thruout the country in the next few years.

THE COLLEGE OF PHARMACY

The College of Pharmacy is affiliated with the American Brewery Association. It is a pretty wet institution for a perfectly good dry town like our dear little Ada. It is not known for certain where the college is located. The Pharmics themselves disagree, some insisting it is in Lima and others insisting just as ardently that Ada is the place. At any rate there are certain courses taken in both localities. The Pharmics are full (of pep) most of the time and Ada would be considerably more grave-like without them.

When the Sands of the Desert Grow Cold

Ringer will have a seat in the legislature.
Campbell will wear a hat.
Louthian will be a politician.
Nolte will graduate.
Doc Stultz will vote the Prohibition ticket.
Kaiser Wilhelm will clean up Uncle Sam.
"Snippy" will grow up.

The Ohio Northern Tennis Association As It Really Is

W. J. McROBERTS, JR..	<i>Vice-President</i>
W. J. McROBERTS, JR..	<i>Secretary</i>
W. J. McROBERTS, JR..	<i>Treasurer</i>
W. J. McROBERTS, JR..	<i>Captain and Team</i>

Followers of the game: W. L. DORMAND, C. A. SMITH, J. F. NOLTE, C. C. SMITH, G. ALEXANDER, JR., and a few others.

THE BACK OF HIS MATRICULATION CARD AS THE AVERAGE
STUDENT SEES IT

OHIO NORTHERN UNIVERSITY STUDENTS MUST ABIDE
BY THE FOLLOWING REGULATIONS

- A. Be careful of fire when smoking on the campus
- B. Do not drink to dangerous excess.
- C. Students under 18 not allowed in pool rooms.
- D. Do not attend dance if not invited.
- E. Be at chapel when it is convenient.

"COL." IMBODY'S THANKS

Ye Nonsense Editor thought it would be a fertile idea to get from the Editor-in-chief a statement of thanks to the graduating class for conferring upon him the great honor of "getting out" the year book. Here it is:
